Our Products

Our Products

Guarantees, We provide

We have our own Vehicles for doorstep deliveries!!

Elham MultiPlast LLP offers the following transportation options for your convenience:

Transportation Options:

1. Transporter Services: We can arrange delivery through third-party transport companies to suit your requirements.

2. Rail Transport: For cost-effective and reliable delivery, we also offer transport via rail.

3. Company Vehicles: For bulk orders, we can provide direct delivery using our **own Eicher trucks**/vehicles, ensuring timely and secure transportation.

Here are some benefits:

Delivery at the doorstep at the cheapest rate (Only Diesel or Petrol cost)

No damages to goods

Timely Delivery at your Factory

Delivery available anywhere in Pan India

Product Quality

At **Elham MultiPlast LLP**, we are committed to delivering the highest quality HDPE and PET bottles, ensuring that they meet all essential functional standards. Our products undergo the following rigorous tests:

Torque Test: Guarantees secure tightening to prevent leakage.

Leakage Test: Ensures the bottles and lids are completely leakproof.

Drop Test: Confirms the bottles durability against breakage or leakage during transportation.

Burst Strength Test: Verifies resistance to cracking under chemical pressure.

With these quality checks, we ensure that our bottles provide the reliability and safety your end consumers demand.
