Guarantees We Provide

Elham MultiPlast LLP - Transportation Options

To ensure smooth and flexible delivery of your orders, we offer multiple transportation options tailored to your needs:

- 1. Third-Party Transportation Services:** Ideal for small quantities and long-distance deliveries, we can arrange reliable transport through our trusted logistics partners.
- 2. Company-Owned Vehicles:** For bulk orders, we offer direct delivery via our own fleet, including Eicher trucks and smaller vehicles, ensuring safe and timely transportation.

3. Full Container Load (FCL) Facility: For very large orders, we provide container load options to help you optimize shipping costs and efficiency.

Here are some benefits:

Doorstep Delivery at the cheapest rate
(Only Diesel or Petrol cost)

No damages to goods

Timely Delivery at your Factory

Delivery available anywhere in Pan India

Product Quality

At **Elham MultiPlast LLP**, we are committed to delivering the highest quality HDPE and PET bottles, ensuring that they meet all essential functional standards. Our products undergo the following rigorous tests:

Torque Test: Guarantees secure tightening to prevent leakage.

Leakage Test: Ensures the bottles and lids are completely leakproof.

Drop Test: Confirms the bottles durability against breakage or leakage during transportation.

Burst Strength Test: Verifies resistance to cracking under chemical pressure.

With these quality checks, we ensure that our bottles provide the reliability and safety your end consumers demand.

Sustainability & Green Manufacturing

300 kW Solar Power
Plant Installed

Our manufacturing facility is powered by clean, renewable solar energy—reducing carbon footprint and supporting sustainable production.

Value-Added Packaging & Branding Support

To provide our customers with a complete packaging solution, we offer value-added packaging and decoration services through our reliable and experienced partner network.

Our Services Include:

- ✓ Shrink Sleeve Application
- ✓ Sticker / Label Designing & Application
- ✓ Hot Stamp Foiling
- ✓ Cap Foiling
- ✓ Hot Stamping

With single-point coordination and trusted execution, we help enhance your product’s shelf appeal while saving time and operational effort.

Certifications & Regulatory Compliance

Elham MultiPlast LLP operates with strict adherence to quality standards and statutory regulations.

We are proud to be:

Assuring consistent quality management systems

Compliant with Gujarat Pollution Control Board norms

Supporting responsible Plastic Waste Management as per government regulations

These certifications reinforce our commitment to quality, safety, and environmental responsibility.
